Attorney Docket No. 51449-00211

**NON-FEE AMENDMENT — INTRODUCTORY COMMENTS**

This amendment and records herewith respond to the Office Action mailed  
02/24/2004.

The newly revised amendment format, published in the Official Gazette of  
February 25, 2003 is being followed for this paper.

The sections filed concurrently start on separate sheets, with the following  
identifications:

- A. AMENDMENTS TO THE CLAIMS.
- B. AMENDMENTS TO THE SPECIFICATION. (This is for a few words in the  
paragraph at the beginning of the application under “Cross-Reference to Related  
Applications.”)
- C. REMARKS. This closes with counsel’s signature.

**Plus the following documents appended to the end of the remarks section :**

- 1. New original declaration by the inventor correcting the Application Number of the  
provisional erroneously recited in the declaration as filed with the application.
- 2. Supplemental Declaration by the inventor to cover the added claims by this  
amendment.
- 3. Terminal Disclaimer by owner and inventor.
- 4-1 and 4-2. Two documents (identified as AK and AL from applicant’s parent utility  
application, Serial No. 10/113,961 filed 03/29/2002 and referred to by

applicant's counsel in the Information Disclosure Statement supplied for the  
subject application (and calling attention to MPEP Section 609). The two  
references are supplied pursuant to the Examiner's request by telephone.
